

**FT Podcast Rachman Review**

## What to expect in 2025

After the turbulence of 2024, what are the prospects for a peaceful new year?

---

Gideon hosts an end-of-year discussion with Alexander Gabuev of the Carnegie Russia Eurasia Center, Jeremy Shapiro of the European Council on Foreign Relations, and Karin von Hippel of the Royal United Services Institute. They discuss what we can expect from the incoming Trump presidency, the prospects for peace in the Middle East and Ukraine, and China's strengthening ties with Russia.
